**STEP 01**  
Apply 1 coat of Vinilex 5200 Wall Sealer/Vinilex 5500 Wall Sealer onto the wall using a paint roller.

**STEP 02**  
Apply the first coat of Momento® Travertino with a stainless steel trowel and wait 2 to 4 hours before applying the next coat. Repeat this step for the second and third coat.

**STEP 03**  
After 20 to 30 minutes, create irregular veins (similar to the pattern of travertine stone walls) using a hard-bristled spatula.

**STEP 04**  
Smoothen the surface with a stainless steel trowel.

**STEP 05**  
Create brick, block, or weave designs with a flat-tip screwdriver.

**STEP 06**  
After 10 to 12 hours, use a paint brush or sponge to finish your Momento® Travertino with colours\* for unsurpassed creative combinations or Momento® Clear Coat.
